

(a) Vice Consul in Quebec City, when terrorist kidnappings occurred and the separatist Parti Quebecois was established; (b) State's Legal Adviser's Office, working on multinational UN-sponsored law of the sea negotiations, seeking to codify in a treaty the rules for the oceans, seabed, coastal waters and scientific research; (c) member of interagency task force and US negotiating team in Vienna for the NATO-Warsaw Pact Mutual and Balanced Force Reduction negotiations, goal of which was to reduce military forces in Central Europe; (d) similarly, on task force and member of negotiating team for US-USSR Strategic Arms Limitation Talks II; and (e) Consul in Izmir, Turkey. Turkey: before going there, marriage -- Louise Snyder, AA to Liz Carpenter in putting together funding for and construction of LBJ Memorial Grove on the Potomac (our wedding ceremony site). Daughter Elise born in Turkey; twin boys born shortly after return.

Left USG service and ventured into private practice, where I had many memories over more than 30 years.

Other memories: retiring at 70, living in Annapolis. Primary interests: theater, reading (biography, history and science), traveling, and friends. I assist several not-for-profit groups focusing on the Chesapeake watershed.
