

Memory of satisfaction with a 25-year career as administrative judge, and then Vice Chairman of the Armed Services Board of Contract Appeals -- after Office of Naval Litigation; Chadbourne Parke; Rockwell International; and Deloitte.

Married John V. Thomas, YLS69, who worked for the FDIC, and very memorable is having two daughters, one married with two small girls, and one engaged. They live within 20 minutes of us.

We're both retired and are enjoying the usual retiree activities —grandchildren, travel, nonprofit work, museums etc.
